Access Compliance enjoys the challenge of working with individual companies to create programs specific to a variety of industries.

Access Compliance is proud to be a

- *Veteran Owned Business*
- *New York State Woman Owned Business Enterprise, NYSWOBE #53310*
- *National Women's Business Enterprise, WBENC #2005121673*
- *Woman Owned Small Business WOSB #180165*

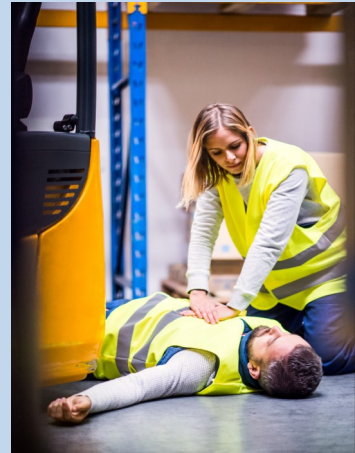

Veteran Owned Business

FACT: Your brain can survive 4 to 6 minutes without oxygen.

FACT: It takes 6 to 8 minutes to summon an ambulance.

If everything goes perfectly, there's no problem. But if the person not breathing is you, or your infant, wouldn't you want better odds? Wouldn't you want to know CPR?

Access Compliance offers a variety of First Aid and CPR training classes that can be geared to your company's needs. These classes are taught using the National Safety Council's standards. These standards are recognized by state health departments around the country and also by the American Heart Association. CPR is a two-year certification, and First Aid is a three-year certification.

Available Training Classes

- Adult CPR
- Child / Infant CPR
- Adult / Child / Infant CPR
- Adult CPR with First Aid
- Adult / Child / Infant CPR with First Aid
- Professional Rescuer CPR
- Bloodborne Pathogens Training
- Public Access Defibrillation Training

All classes include textbook and certification card. If you or your company are interested in any of the training programs listed above, please contact Brenda Wiederkehr at 518-782-2200.
